

TECH SYMPOSIUM [POSTER CONTEST]

GENERAL REQUIREMENTS:

- Topics must be related to IT/Application Development.
- Maximum of two students per group.
- Topic Summary Submission Deadline: **January 26, 2017 at 11:59PM**
 - Please submit your topic with a short summary.
 - You may submit your topic before the deadline for approval.
 - If you are working in a group, only one student needs to submit the topic summary. Include the names of both students on the document.
 - Please submit your topic summary to jennapham@calpolyswift.org
 - Topic approval emails will be sent out by February 2, 2018

POSTER SPECIFICATIONS & RECOMMENDATIONS

- Poster boards must stand on their own. A tri-fold poster board is highly recommended.
- You may use any adhesive you wish to attach items to the poster board.
- You may bring other items, such as a laptop, for your poster, but electrical power will NOT be supplied.
- Be sure to label your poster with a title and student(s) name(s).
- You will be provided with table space to display your poster.

PRESENTATION TIPS

- Recommended dress attire is business casual.
- Stand next to your poster so viewers can identify who is the author.
- Do not read from your poster, discuss it with the viewer(s).
- You must stand by your poster for the entire duration of the event.
